

WELCOME TO THE 3RD NEWSLETTER OF THE ONE STEP UP PROJECT!

APRIL 2024

TRAINING IN OPAVA

The training event in Opava (Czech Republic) was organized on 9th-11th April 2024.

The subject of the training was micro-learning methods and digital tools for their development. Participants shared their experiences with micro-learning methods, tested project MOOC platform and developed micro-learning resources on several topics.

The training was successfully and it was positively evaluated by participants. The training will be now followed by pilot trainings organized by each partner on local level.

NEXT STEPS

Partners will conduct pilot trainings on local level in order to test the project results with educators and trainers in their environment.

Partners will organize multiplier events in order to promote the project among stakeholders at local level.

The final meeting was planned for June 2024 in Vilnius.

All project results will be available on the project website: <https://one-step-up.eduprojects.eu>

The results will be available with open access for everyone interested.
