## TPM AND FINAL CONFERENCE IN VILNIUS

In June 2024, the ONE-STEP UP partners met for the final partner meeting and conference in Vilnius, Lithuania. This gave all partners the opportunity to discuss our progress, share insights and strategies and how to ensure the long-term impact of the project in the adult education sector.

The final conference saw adult learners, adult educators, policymakers join together to learn more about the methodology of *micro-learning*, and gave them an opportunity to explore the ONE-STEP UP project resources.

## OUR ACHIEVEMENTS

Over the past two years, the project consortium has worked to develop and implement the following key outputs:

- Educators Toolbox of Micro-Learning Resources
- Professional Development Training for Front-Line Adult Educators
- Adult Educators Handbook
- ONE-STEP UP MOOC
- Policy and Practice Recommendations Report

All of the ONE-STEP UP project resources can be found on the project MOOC:

## COMMUNITY LEARNING FESTIVALS

As part of the ONE-STEP UP project, Community Learning Festivals were held in each partner country to promote the micro-learning resources developed throughout the project. These festivals provided an engaging and accessible environment for low-skilled adults to re-engage with education. By showcasing the ONE-STEP UP learning materials and offering hands-on learning experiences, the festivals successfully connected over 240 participants with the tools and resources needed to enhance their skills and confidence.
